LETTERS TO THE LOUNGE

Dear CLUB,
My wife and I love your magazine, and often use it to get us in the mood for a good shagging session. Lying on the bed together, looking at the pictures of all those horny babes is guaranteed to get my dick nice and hard and Jane pussy soaking wet. We are fairly liberated and Jane has no problem with me lusting after the tits and fannies on view. In fact, she loves sucking my rigid cock while I tell her what I'd like to do to one particular girl or another. Once I've spunked in her mouth, she'll then describe

licking that pussy in the picture while I run my tongue backwards and forwards over her clit, or insert a couple of fingers inside her until she cums.

The reason I'm writing, is to tell you about an event that happened last week which both of us reckon pushed our relationship to a totally new level.

In the last year, Jane has occasionally held naughty sex aid and underwear parties for her girlie mates. She invites about seven or eight friends round, they all get pissed, have a giggle and she makes a few quid at the end of the night. I usually use these evenings as an excuse to go out with my own mates as Jane has never seemed that keen in having me hanging around the house.

Anyway, last Thursday, she'd organised one of her bashes and I got ready to go out

"She buried my entire shaft up her slit, and began to maul her fat boobs for me."

with a few of the lads. Unfortunately, there was a bug going round and my evening's entertainment was cancelled at the last minute. Jane's friends were arriving, so I decided to play a few computer games and watch the telly upstairs and let them get on with it.

The howls of amusement coming from the lounge were soon drowning out the TV and, as Jane had got in nearly a case of wine, I realised I wasn't going to get much peace and quiet that night. But little did I know what was about to happen.

"You've been hiding a man up here," Sandra yelled down to the others as she suddenly burst through the bedroom door without so much as a knock. Sandra is quite a big girl with enormous tits and she was standing in the doorway in a sort of lacy see-through basque thing, her nipples sticking out through two fur-lined holes and the flies on her jeans undone. Jane joined her at the door with a big black rubber vibrator in her hand, giggling drunkenly.

"Which would you rather have then, Sandra," my wife slurred. "This thick, fake cock up your cunt, or a real piece of meat?"

As she finished the sentence she yanked open the dressing gown I'd put on after my shower, giving Sharon an eyeful of my dick and balls. Even as the two women stared at my crotch, blood rushed to my prick and it began to grow before them until, in seconds, it was standing proudly to full attention. Jane grabbed it and stuffed it in her mouth,

slurping up and down on the shaft as I focused on her friend's protruding nipples. Sandra understood what I wanted and clambered next to me on the bed, her fat tits wobbling as she pushed her chest into my face. I took one deliciously bulging nipple in my mouth and sucked hard, squeezing her other breast with my hand. The flesh was soft and warm and, as my wife continued to suck on my throbbing cock, I realised that this was going to be far more fun than any night out with the boys!

I slid my other hand inside Sandra's jeans and pressed my palm against her bare, moist pussy. A finger slipped between the puffy lips and delved into the folds of her soaking cunt. "Oh, can I put that cock in me, Jane?" Sandra moaned as I dug my finger in deeper. Jane answered by lifting her mouth off my knob and pointing the purple head at her

hole, giving the gals a great view of my glistening cock as it exited her twat before plunging back inside up to my balls. Jane reached between our legs and gripped my knackers as I fucked, knowing this would make me spurt my load with a force that would impress her pals. I groaned as I felt the sap rising and withdrew my shaft, my wife jerking my foreskin as she aimed me at Sandra's quivering tits. A thick arc of spunk jetted out of the tip and splattered on the soft flesh, then another and another. As each dollop of seed landed, Jane smeared it over those ample curves before sucking the final drops of cum from my dick as I

friend.

Sandra's jeans were off in seconds, she straddled my waist and lowered her dripping snatch onto my dick. She may have been a big lass but that fanny felt nearly as tight as my wife's arsehole! She buried my entire shaft up her slit, leant back and began to maul her fat boobs for me, like a slut in a porn film. Jane was stroking Sandra's arse and watching us fuck but couldn't resist cupping those awesome tits in her hands before sucking noisily on her rigid nipples. At this point a noise from the doorway

caught my attention and, turning my head, I saw four or five, wide-eyed women leering at us shagging on the bed. The rest of Jane's party had obviously decided we were better entertainment than a pile of sex shop goodies and at least two of them were busily rubbing in between their legs as they stared at their chum banging up and down on my aching prick.

Not wanting to disappoint my audience, I turned us over so that Sandra was now lying on the bed and I was able to pump her

looked over to the door. There were a few flushed faces amongst the girls and they actually gave us a round of applause as I exited stage left, towards the bathroom to clean myself up, while they continued their party downstairs as though nothing had happened.

Jane and I have talked about what happened and we're both pretty keen to involve a few more of her mates at her next party. But we'll have to wait and see...
Felix, Dagenham.

Here we have a treat and a half, with the late seriously sizzling sexpot August Ames, living out the secretary fantasy we have all dipped into now and then; and what a treat it is to have Miss Ames behind the rimmed glasses, silky blouse, and short skirt, with her ripe and sumptuous body. A lady for us all to remember.

TOTAL RECALL 

Dear Total Recall,
I'm a dedicated fan of
blondes, especially if they
have the long locks to show
it off. So you can imagine my balls
were utterly boiling over when I came
across Club 33.11 all those years ago,
and discovered the amazingly sexy
Martha and her crotchless tights,
with her neat little pussy on show.
Now there's a clit I wish I could
have a suck on! She even
had a lovely pair of pert
tits to go with it; a real
dream come true in
my book. So one I'd
like to thank Club
for sharing Martha
in the first place,
and two would
it be possible
to see her
again?

23-year-old Clea has recently left her home to seek her fortune in the capital. "I just got bored," says the delectable brunette, "so one Friday night after a particularly crap week I headed over here."

As she sits sipping a cappuccino in a cafe in Old Compton Street Soho, it seems only sensible to enquire what she thinks of English

men. "You know what?" she smiles as she gazes wistfully out of the window, "I've been here two months, and in that time I've been so busy finding a flat and a job that I haven't had time for a fella. Now I think about it, this is probably the longest I've gone without a shag since I started at 16 – wow!"

I think a night on the tiles is called for here!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ROOM AT THE BACK

I was really pleased when you published my letter in Talkin' Blue back in the summer about what happened between me, my friend Angie and my boyfriend Keith down here in Cornwall. Well, I thought that you'd want to hear about the next time Angie came down to visit, so here goes...

(You wanted another fifty quid, more like, but go on then! - The Ed.)

I picked Angie up from the train station and the minute she saw me she ran over and hugged me, then kissed me fully on the lips as her fingers traced a line across my bum cheeks.

"Where's Keith?" she asked as we walked to the car.

"Working," I replied.

"Shame."

"He'll be home for dinner."

"It wasn't food I was interested in," she announced as she slipped her lithe frame into the passenger seat of my car.

I was about to reply, but with both doors closed I was suddenly aware of a familiar, musky aroma. I eyed Angie with a knowing look. She popped the top buttons of her blouse to reveal the tops of her sexy boobs.

"A stud on the train," she explained, giggling as she pointed out the drying spunk that lined her smooth skin.

"You didn't!" I exclaimed, trying to sound shocked, but failing.

"Her eyes widened and she tensed as my finger pushed past the initial resistance."

"I didn't, but he did," she replied.

"Well, you could have at least wiped it off," I retorted.

"I couldn't," she replied. "The silly sod was groaning so loudly that by the time he'd finished there was a guard banging on the door."

"Angie, you are such an awful girl," I sighed, shaking my head as I started the engine.

"Don't you go all prim and proper on me," she said. "I found you

having a wank in the bushes last summer, remember?" I felt my neck redden. Of course I remembered, although I remember what happened afterwards much more vividly. Images flashed in my mind and my nipples suddenly hardened.

"I'm beginning to think that this has worked out for the best," Angie announced.

"How's that?" I asked.

"Well, when we get back to your place you can clean me up before I show you how much I've missed you." I swallowed and managed to say, "What about Keith?"

"I'd rather have you to myself for a little while," answered Angie. "He can have you afterwards..." I expected her to laugh at any moment, to tell me that she was just joking, but then I felt her hand resting high up on my thigh. I slammed the car into gear and screeched out of the car park. It seemed the longest twenty minutes of my life and I swear that someone has stretched the roads out between the station and home!

Once at the house Angie insisted on bringing her bag from the car and refused to let me touch her until we were in the bedroom. Once there I practically tore the blouse from her shoulders in my haste to get to her spunk-covered breasts. She groaned loudly as I cleaned the dry jism from her breasts with my tongue, revelling in the sheer filthiness of tasting another man on my best friend, a man that I had never even seen. It was so good to have her back in my arms, hot all over and breathing quickly as I enveloped her.

When her gorgeous, tanned skin was clean I sucked firmly on her nipples, each in turn while rolling its sticky partner between my thumb and forefinger.

"I'm so fucking horny," Angie announced. There was no denying that. Her nipples were hard and almost painfully pronounced and I could smell her seeping pussy.

"I need something in me Amanda," she gasped. "God, fill me up!" With Angie still standing, I tore the last of her clothes from her and moved my fingers to her pussy.

"My God!" I groaned, feeling her soaking

pussy. Angie gasped and stumbled forward, her hands shooting out to stop herself from falling. She stayed there with her hands either side of the long, wall-fixed mirror beside our wardrobe. Her back was slightly bent, her arse pushed out towards me and her legs apart. A thin line of sweat stood out along her spine.

I stared at her reflection in the mirror. She looked beautiful and even more sexy than I remembered. I wished I had a camera to capture the moment. But all too soon my own passions overwhelmed me and I fell to my knees, my tongue and fingers quickly finding Angie's pussy.

"Oh, God. Fuck my arse," Angie gasped.

back on my haunches so that I could see Angie's face in the mirror. I wanted to see her reaction as my first digit slid into her innocent hole. Her eyes widened and she tensed as my finger pushed past the initial resistance. She grimaced slightly, but then suddenly she groaned with pleasure and her face relaxed. I pulled my finger back slowly before sliding

I was surprised by this because the previous summer, despite encouraging Keith to fuck me like that, Angie had shied away from such penetration. She must have sensed my surprise because she said, "I've never had it before, but it just feels right now."

The thought of introducing Angie to the pleasures of anal penetration almost made me come right there and then. "I'll be gentle," I promised as I slipped two digits into her gaping pussy. I slipped my other hand into my knickers and used my own juices to lubricate Angie's virgin little bum ring.

With her entrance and my fingers well lubricated I sat

a second digit home. Her face showed the same reaction, but after several thrusts she became accustomed to the sensations and began to push her arse back against my hand.

As soon as Angie got into the flow of things I moved to allow my tongue access to her pussy and I licked at her labia. As I felt her passion rising I moved my attentions to her clitoris and sucked firmly on her hardening bud, the entire time thrusting my fingers in and out of her tight arse.

"Oh, God..." Angie gasped. "I'm going to come." Feeling her pussy spasming, I put my lips to her clitoris and hummed loudly. The vibrations drove Angie wild and she bucked uncontrollably, splashing my face and chest with her sweet juice.

As her passions eased, Angie fell back onto the bed and I let her lie there as I undressed. When I lay down naked next to her she smiled and rolled me onto my front, telling me to get up on all fours. A few moments later she traced her fingers across my buttocks. "Your turn," she whispered as I heard her squirting lubricant from a tube that she must have got from her overnight bag.

"Oh yeah," I sighed, closing my eyes. "I love being fingered up the arse."

"I'm not going to finger you," she replied. I glanced over my shoulder and gasped as I watched Angie spreading lubricant over an absolute monster of a strap-on dildo that she'd slipped around her waist.

"Can you manage it?" she asked. It was bigger than anything I'd taken before, but I was more than eager to give it a go.

"I think so," I whispered.

"Good girl," said Angie as she gently parted my butt-cheeks. I felt the wide, bulbous head of the dildo nudging at my anus, squeezing between my cheeks.

"Oh God, Angie," I whispered fearfully.

"It'll be okay," she announced, pushing the lubricated dildo slowly forward.

I could feel it nudging against my tight hole and I almost screamed with fear. There was no way that monster was going up my arse. I started to pull away, but Angie

forcibly grabbed my hips and pulled me back as she pushed forwards.

I tensed, relaxed and then tensed again as the invader forced its way into me. And then, incredibly, it was inside me, my tight passage opening to welcome the huge phallus. I heard myself groan, felt myself shiver as tiny beads of freezing sweat stood out along my spine. And then Angie was riding me with ease, her hands at my hips, guiding both our movements.

The dildo that had, only moments before, terrified me with its size now filled me so perfectly that I couldn't even respond to the forceful thrusts. The pleasure of my firmly and fully-stuffed arse was so intense and made me so limp that Angie pulled me back and forth as if I were nothing more than a rag doll. But then the pleasure and passion seized me as my mounting orgasm reached breaking point.

"Oh fuck!" I screamed, throwing my head back, my hands punching into the mattress.

"Fuck is right!" said a voice.

Angie paused in her invasion of my arse and we both looked up to see that Keith had entered the bedroom. Neither of us had even heard him. He must have known that we were up to no good as soon as he came in; my sighs and groans had surely carried downstairs. Still, he looked surprised and even a little shocked. I couldn't blame him really. He had

just entered our bedroom to see me on all fours with Angie thundering into my arse.

"Are you going to do something with that?" Angie asked, glancing at the enormous mound in his trousers.

"You bet I fucking am," Keith replied, shedding his clothes in double-quick time as Angie picked up her rhythm once more. Once naked he grabbed hold of my hair and turned my face towards him. His good-sized cock was even bigger than normal, but somehow I managed to suck it between my lips. I deep-throated him for a while until he groaned and pulled back. I shivered as I waited for him to touch my pussy, eager for stimulation there. I fully expected some tonguing of my own. But his touch never came. Instead I heard Angie groan and I glanced over my shoulder to see Keith moving in on her. The slight tensing and then the look of sheer pleasure told me

that Keith had slipped himself into her beautiful arse – using my own saliva as lubricant.

The sight of Angie taking a cock up her arse was almost too much to bear. The extra pounding of her thrusts as she herself was stuffed made my anus spasm and my pussy gush. I screamed loudly, swearing and begging for mercy. Angie's hand found my clitoris and she rubbed the nub firmly as I told her to fuck me hard. Eventually I collapsed, falling away from the monstrous dildo and allowing Angie to revel in Keith's manly stuffing of her arse.

Shivering with my spent passions I moved around the bed to position myself behind Keith. I spread his buttocks and moved my tongue between them. He groaned loudly as I lubricated his tight hole and

“ Keith had slipped himself into her beautiful arse – using my own saliva.”

slipped my finger in. As I thrust my finger into him, I rolled onto my back to suck his balls. His thrust became urgent and suddenly Angie screamed with release, tossing her head like a wild animal.

Keith pulled free of her arse and rolled her over onto her back. I moved so that I could hold her legs open as Keith moved between her spread thighs, wanking himself to climax. Suddenly he shot his seed. Hot splashes splattered Angie's breasts and stomach and the last sticky drops fell on her soaking pussy. Then I licked sticky jism from Angie's breasts for the second time that day. And by the time she was clean Keith was ready to give my pussy the attention it more than deserved!

One of the best things about working at Club Towers is that we occasionally get a visit from some of the girls in the mag. And so it was that the very lovely Elle turned up one lunchtime last week to check out

her photos. So pleased was she with her shots that she even offered to take us to our local for a pint. Verily there was much rejoicing – a gorgeous girl who is happy to show us all her perfect pussy and buy us beer! An afternoon of

ale and politely refused marriage proposals ensued. And Elle's still keen to come back again, there might even be time for an impromptu drink if we have anything to do with it. What a fine girl she is!

With her perfect, palm-sized boobs and firm body, Lana's more than enough to give any male in her vicinity a rising temperature – not to mention cock! Life in her playground Newcastle must be a nightmare for her, dodging horny guys throwing themselves into her

path! "To be honest, I don't always dress like this, so a lot of the time I don't attract too much attention. Sometimes, though, when I'm out with me mates and I'm all dressed up, I get more than my fair share of attention. Still, I don't mind fellas admiring my body from time to time!" Erm, just as well, love!

What our well-placed moles are telling us this month...

DOWN THE WIRE

WANK ROBBER!

A dumb criminal – too thick to be named at this time, sadly – thought he'd got away after going into a bank on New Year's Eve, handing the 'teller' a note stating he had a bomb and asking for money. He got what he wanted. If only he'd left it at that. Instead, on New Year's Day, police received a report about a man lying on the ground near a car dealers, publicly masturbating. Officers arriving on the scene noted he matched

Dear Cashier,

It would be greatly appreciated if you would hand over all the cash on the premises. Then I will happily toddle off quietly!

Yours sincerely,
Man in the mask with a bomb

the description of the suspect in the bank robbery and arrested him. He claimed he hadn't been wanking, but was hiding money in his pockets and shoes. Ah, the old 'pockets and shoes' wank. We know that one well.

DONKEY RIDE!

Most blokes, when caught fucking an animal, would shamefacedly accept their slap on the wrists and shuffle off to their sheds. Not Carlos Romero. He was arrested in Ocala, Florida recently, hanging out the back of a donkey. When questioned, he didn't flinch, saying that when the donkey is in heat he'll often masturbate behind it, as he 'likes the way her fur feels'. He also admitted to doing it several more times and ranted, "Florida is a backwards state and people frown on zoophilia here." He then went on to say humans are dishonest, but animals "are usually there for you" and "do not seek other pleasures". The 21-month-old miniature donkey, Doodle, was not available for comment.

He's hung like a squirrel!

DOG EATS HOMEWORK UPDATED!

When 40-year-old Debbie Michelle Zamacona of Winder, Georgia, the USA (where else?) called the police to report a theft, she seemed more bothered about the disappearance of her Curriculum Vitae than about the blouse that had also gone missing. Responding officers were more surprised when Zamacona fingered the possible culprit – one of two ghosts that haunt her. She said she didn't think it was the ghost of her

mum, but a "black spirit" that also visited. When asked to value the CV, she gave a value of \$5000. Man, that's must have been some nice stationery. In a nice postscript, Zamacona's poor husband later announced that he'd found a copy of her CV on her computer. IT Joke Alert: Did he ghost her drive? Lolz.

We're getting a bad rep!

MILE HIGH MUFF

As a female co-pilot working for a major UK airline I am in the minority in a very male-dominated world. It has its ups and downs, so to speak. Sometimes I get frustrated because the air

stewardesses get all the attention; the pilots and engineers often prey on the 'trolley dollies' thinking they're easy lays. I'm 29, good-looking, single and extremely choosy. It means I can go months without a sexual partner, which as any young woman can tell you is an awfully long time. My pussy instinct gets all too pent up and I start noticing myself becoming really sexual in my everyday actions.

Last week I flew to Amsterdam and got dragged to the red light district by a couple of work mates. They took me to a peep show booth and seedy as it was, it did get me all hot and bothered. I got off on watching a horny young couple fucking, the well-built guy looking me right in the eye and smiling as he rammed into his pretty partner. But I actually want to share a different experience with you. It happened while I was working on a twelve hour transatlantic flight the other day. As always, I was sat in the cockpit with the pilot and engineer. We were well into the flight when not surprisingly the conversation steered towards sex. Mike, the pilot, was grumbling about how his present girlfriend seemed to have virtually lost her sex drive lately and Grant was naming and shaming several of the stewardesses he'd fucked over the years (including one on our flight, I might add). I was pretty shy when they started asking me questions about my sex life, but realising there was a long flight ahead I decided to turn the situation to my advantage. Once automatic pilot was set I

began to flirt a little, seductively giving away hints about my own sex life. I made a point of stressing just how long it had been since I'd been fucked or fingered. Little by little, I knew I was gaining control of the situation as the conversation continued.

"So you've never had a good blow job and you've never had a girl swallow?" I said to Mike, who'd been complaining earlier. He nodded and Grant started laughing. I told him to get his cock out and dare me to do better. He looked momentarily uncomfortable in front of his colleague, but the offer of head was too tempting. He got his semi-erect dick out. Instantly my skin tingled and my mouth watered at the prospect of something to suck on. The exhibitionist streak in me was enjoying the fact that the engineer would be watching too. I spat on his cock to lubricate my hand movements before throating his growing member to full erection. I love going down on men, teasing my tongue around the head of the prick, flicking and gliding before taking it all down. We hit a patch of turbulence and poor Mike had to make an announcement over the intercom. He was so flustered, trying to concentrate on what he was saying whilst my head was planted in his lap. But I didn't stop sucking until I'd milked him dry. One cock was not enough, so I turned to Grant who by now was sat with his mouth wide open and with an indiscreet bulge in his pants. His cock looked like it was as erect as my nipples.

"It's no wonder this girl ended up working in a 'cock'pit. She's amazing... a complete natural," Mike teased. Without using my hands I found Grant's dick and started blow job number two. He was less shy and much noisier, encouraging me to keep up

the good work. His hands wandered, and at first I kept slapping them away, not wanting to let things go too far. But once he'd spurted his load down my throat I was wet and hungry for an orgasm. I had two drained and contented cocks – and now it was my turn to get some!

Although the cockpit door was locked the risk and excitement of being 25,000 feet in the air and getting up to no good gave me a really kinky buzz. When the stewardess interrupted us to serve dinner we had to quickly pull ourselves together and endure the usual chit chat, while all I could think of was getting something solid between my legs. I was turned on by the tricky situation we found ourselves in. Being in a tight space, none of us were really able to relax and give in to our desires. After all, we still had a job to do! I sat on Grant's lap and encouraged him to undo the flies of my work trousers. Mike moved over to rub my pussy through the clinging material and I watched in awe as one hand slipped into my knickers and rubbed my clit while the other practically fingered me through the material. Grant pulled his hand out and asked me to wet his fingers. My aching jaw opened to take his

fingers in. Once they were wet he put them back inside my underwear and circled his thumb around my clit. Mike eased my trousers and knickers down just past my hips, and filled my pussy with his fingers, hooking them into crevices I felt had never been found or touched before. I sank back onto Grant's lap, my cunt automatically slipping forward to encourage Mike's fingers even deeper inside. He twitched and curved them around my juicy cunt, but I couldn't open my legs as my trousers were still tight around my hips. This just made the sensations stronger. My orgasm began to build and blaze through me in waves. Grant had to cover my mouth to stop the first class passengers overhearing my screams!

During the final leg of the flight I told Mike that I hadn't quite finished with either of them yet, warning that it was just as well we had a two day layover ahead. We didn't leave the hotel for the full two days. Rooms were block-booked and luckily ours were all in a row on the fourth floor... mine on the end. It allowed me to engineer some kinky, harmless fun. I never once fucked the guys together – preferring to keep them constantly wound up, frustrated and ready to fuck one at a time. As

my popular pussy rode one guy the other who was just next door could hear every last gasp and whimper.

Once I'd been turned into a come-covered slut, I'd knock on the other guy's door and he'd be ready and willing to fuck me all over again. One time I was in the Jacuzzi being fucked up the arse by Grant and I felt it only fair to show Mike what he was missing... I called him and left the receiver off so that he could hear everything, and get ready for what was coming. The games were endless and I let go sexually like I never have before (or

“He twitched and curved them around my juicy cunt, but I couldn't open my...”

since). Not very professional I know but, what the hell... It was the best two day, two way layover I've ever had!

PARTY HARDY!

I've only been married for 12 months, but my husband Alex travels a lot with his job and it has to be said, our sex life has suffered. Though we do have lots of phone sex, which is great, it's just not the same – and it doesn't half cost a lot too! With all the sexy talk my fantasies have been getting increasingly outrageous as well. They often involve friends of ours, especially Tim and Laura. I've always sensed a real sexual tension whenever the four of us get together and last week that instinct was proved right. They invited us

“I was spoilt for choice with two cocks and another pussy...”

with a small box of them hidden in the middle. After a delicious dinner (and lots of wine and spirits) the atmosphere had definitely loosened. We gave Tim the cake and told him it needed cutting before the fun could really begin. Tim was so pissed he dragged his finger through the thick layer of cream and smeared it onto Laura's cheek. Initially she wasn't amused until I turned around and carefully licked every sickly inch off. I'd taken a chance, but by this point was too pissed to really care. We were giggling as we fooled around, the boys looking on in disbelief. We all took Viagra and I knew then that the evening was going to descend into pure, unadulterated decadence. Laura and I danced as we waited for the drug to take

effect. I watched her pantied butt shaking to the music and wondered what she was like in bed. As she slow-danc-ed and rubbed up against me I felt an incredible burning sensation coming from my groin. The Viagra was intensifying everything. I pulled Laura

into me, for a split second forgetting the boys were watching. As I felt her up and kissed her she practically dissolved into my embrace. She was so receptive to my light, feminine touch. She whispered something to me, in between subtle tongue darts into my ears.

"If you give my Tim an oral birthday treat, I'm sure I could follow your lead with Alex," she suggested. I simply turned around, got down on all fours and crawled over to the guys. Laura followed, tugging on my skirt to let me know she was right behind me.

Tim, the dirty pervert, already had his hand down his trousers. I was really intrigued about what I would release from his flies. Did Laura get fucked by a big, fat cock every night? It was so strange being in this sexual situation with both of them, but at the same time incredibly horny. I unzipped and Tim's cock proudly popped out to greet me. I sucked it slowly; in and out, up and down. I glanced over to Alex, who was watching me give his friend head. Then I looked at Laura working his stiff prick. My pussy was really moistening at this sexual information overload. I was spoilt for choice with two cocks and another pussy in the room. I made the guys sit closer together so that I could touch Laura as she sucked Alex's dick. I watched him squirm as she licked up the shaft to the tip of his prick before gobbling his length down. I knew he'd be so turned on he'd be finding it hard not to shoot his wad straight down her throat. Tim pulled my big tits out of my dress so that everyone could get a good view. He then told me to go over and attend to his wife and I had to admit I was itching to taste her skin and sample her sluthole firsthand. Her expensive dress was creased and crumpled around her and needed to come off. It didn't even interrupt her cock sucking as I pulled her dress down over her gorgeous body. She had

tights, cream panties and a half cup bra on, but the tights had a hole in the crotch area (deliberate or accidental? I couldn't tell). Either way, I ripped an even bigger hole for easier access. Laura thrust her pussy back towards me, showing me how

much she wanted to be touched. I pulled her panties aside and breathed gently on her succulent love hole. It looked so clean, new and unused. I moved my tongue around her inner thighs until I found her sweet, dripping cunt lips. I edged my head round to get into her from the best angle, dipping the end of my jutting tongue inside her. Her cream was seeping out and sticking to her brown pubic curls. I continued face-fucking her until she orgasmed into my mouth. She carried on sucking Alex off as he fondled her nipples, roughly squeezing and pinching them when she came. The boys then pushed us down onto the floor, ready to play with us before planning to mutually penetrate us with their stiff cocks.

Laura and I were lying head to head, kissing as they got to work on us. I heard Alex tell Laura he was going to go down on her and I felt a sudden tinge of jealousy as I realised how lucky she was to have his mouth clamped down on her cunt lips. He gave the best oral sex ever. But my mind soon wandered as I felt Tim's warm lips on mine. He had such a different technique, but it felt just as good. As I screamed Laura wailed and Tim and Alex realised it was time to fuck us. Tim was kneading Laura's tit while he kissed me. The perversity of it all struck me once again and I couldn't stop myself coming. Laura came too, getting off on the sounds of my orgasm and the feel of my husband's cock in her cunt.

The guys could fuck forever on Viagra, so when they'd finally screwed our cunts dry we went back to sucking their cocks. Laura and I

did it together, play fighting over Tim's cock first. Laura would deep throat him as I caressed his balls. So as Alex didn't feel left out we let him finger us both at the same time. By then it was the very early hours of the morning and we made Tim spunk onto a silver tray, while Alex shot his huge load into a champagne glass. That way we figured breakfast could be served! Jenny, Bucks.

Roxy

PHOTOS: BB MEDIA

We got the low-down on a recent cheeky holiday Roxy Mendez enjoyed, and she was keen to tell us every last naughty part.

"I was taking a well-earned girlie holiday, staying with my horny little friend Kat who models for a living out in Spain, when one day she suddenly told me she was going to show me her pom poms. Kat used to be a cheerleader when she was at college in the States a couple of years back, still had all the gear and wondered whether I would like to see it and maybe try some of the stuff on. Now I might be sweet and naive, but two horny little minxes like us getting together to try on tight tops and short, short skirts? Well, what did you think would end up happening?"

It's safe to say, our minds imploded at this point!

It's a woman's prerogative to be late (except with that one little thing that sends the fear of God through us!), but lovely, lovely Ava Austen was bang on time for her shoot – if not a few minutes early. In a world where 10 AM means sometime after Coronation Street, that's nothing short of a miracle...

"I've never stood up a boy or been late for a date or anything," claims Ava. "The main reason is that I don't get asked out that often, so when I do, I don't blow it! Well... I do 'blow' it if you know what I mean," she continues, laughing like a naughty schoolgirl. "I don't think men of any age still quite realise that girls like sex too! Just because not all of us walk around going 'Fwoar! Look at the arse on that!' doesn't mean we don't meet a man and wonder what his stomach is going to look like when it's three inches from your face and his willy is five inches down your throat! (Do the math, ladies and gentlemen – The Ed.) Us girls think about sex even more than you men do. I get totally squirmy thinking about what it would be like to get the fit Geordie bloke who serves behind the bar at my local between my legs! Do I sound desperate? I do don't I? Well, I can't say I'd turn a man down at this precise moment in time..."

So it's gone from the fit Geordie bloke to us has it?

They say the one thing you can't really fake is class – and that's something cock-twitchingly delicious Honour May has got plenty of. Well, a particular sort of spuzz-gurgling class, in any case. It's been two or three years since this wanton beauty first burst onto the international stage thanks to a series of red hot XXX photographs, in which she put that firm body of hers to excellent use. Clearly, though, she still likes to grace the pages of whichever lucky publication catches her eye – and this time it's us! It's a thumbs up from us, and a stiff sail from our readers.
